

# Do you have diabetes?

We want to learn more about your experiences of being autistic and living with diabetes.

## We want to know

- what's it like living with diabetes, and
- what you want your health professionals to know about autism and diabetes.

## To be part of the project, you need to:

- be over 18 years old
- have diabetes,
- be on the autism spectrum, and
- answer questions what it's like living with diabetes.

If you participate, you will receive a \$30 Coles gift card!
