

This Australian resource was developed in 1994 by a joint project between the Department of Social Work and Social Policy at the University of Queensland and the Division of Intellectual Disability Services in the Queensland Department of Family Services and Aboriginal and Islander Affairs, with original funding from RADGAC, Commonwealth Department of Health, Housing and Community Services, from Sancell Pty Ltd and Libra Products. Original artwork is by Ann Taylor. This resource is from the original Menstrual Preparation and Management Kit (copyright) which was produced as a community resource. The developers encourage the materials to be reproduced for personal use and individualised training purposes, not at a large-scale level. Copyright means that the developers, as mentioned above, and the Queensland Centre for Intellectual and Developmental Disability (QCIDD) must be acknowledged in any reproduction or citation.
